The Lady:

My perfect woman. Huge natural breasts. Very pretty. She had just had her hair done and it looked great.

The Story:

I've seen her many times before but that is because she has a great sexy personality and a 1 in 10,000 body.

Also she is imaginative sexually so you can get a genuinely erotic session- rare in Soho. She likes to dominate when given the chance and that is why this time I opted for a tie and tease session. This was an excellent choice because Katy opened my eyes to a new and erotic type of experience. She tied me to the bed and blindfolded me. Not being able to see or touch Katy's incredible body drove me crazy. She then lightly whipped me. I was begging her to let me touch and taste her. She teased me until I could take no more, then... beautiful moment: she finally allowed me to feast on her glorious flesh! After that I penetrated her blindfold, which was wonderful. Like she said it makes everything more intense.

It heightened my imagination and teased me so much that when my blindfold was eventually taken off I was filled with excitement and lust. A great great experience and thoroughly recommended!
