### Details of Service Provider:

### The Premises:

Reasonably clean for a walk-up (this was my first ever walk-up experience in the UK)

### The Lady:

Great body, perky tits, great skin and an amazing face (eyes and face were stunning - kinda got lost in them)

### The Story:

She was fun, friendly, a little shy talking (her english was pretty good actually but she was self-conscious about it). she is from the Czech Republic. I liked her so much as a person, that for a bit I was worried (what if she is here against her will). But as we chatted later, she was going on 2 week holiday back home in April and I doubt someone would be able to do that if working against her will.

To the sexual - CBJ that was above average, vigorous sex (twice - i paid for 30 minutes). I'm sure you can get good bj and good sex at other places but this girl's face is stunning and she is actually very sweet.

So, I recommend her for those last 2 reasons mainly! she works wednesday, saturday and sundays

Oh and I gave her an extra tip of 20 pounds because I want her to have some money that isn't split with the house in any way.
