The Premises:

Terraced house in Paddington and upstairs 3rd floor via a buzzer. Felt safe to hang around there. The guy who did the reception directions etc was very good and helped guide me from the tube station.

The Lady:

22 year old woman, m who is a significant 36d and i would say more 12/14 in size. Lovely Indian face and it turned out that she was really very chatty and quite attentive. The pictures, let say have a fair bit of airbrush and yet, i think I would still liked to have seen her.

The Story:

Started with a surprise blindfold and then she moved up my body with kissing and licking. the blowjob (oral without) was excellent and she spend a fair bit of time nibbling my nipples. She was pleased that i was clean and tidy and that i showered as requested too. Good positions with cowgirl, spooning and mish. I was able to CIM and she prepared that very well. overall it was a really good punt.

No tattoos though she does have a birthmark on arm (I think that needs to be seen by a doc. love - not that i am any expert). If i come this way, might try her out again as she was quite fun.
