The Premises:

Flat in a terraced block in Paddington. Quite safe with access and nice bathroom and bedroom. Guy on phone was able to find me a lovely lady. Clean bedroom though the room was a bit warm.

The Lady:

Lovely Thai lady who had limited English (I speak no Thai though). I think she was mid 20's and was very pretty with 34c bust. 5ft 4in, long black hair. Slim size 8.

The Story:

It started with a massage (how often does that happen guys?) From there she started to rub my shaft between her breasts and work on my nipples. Then rubbed her pussy on my shaft too. Then i thought, what is happening, is she inserting me bareback into her anus? Well no, behind her back using my shaft she slipped a condom on whilst on top of me, felt weird. Well blow mw (actually she did no blow job, hmmm). Still did cowgirl, reverse cowgirl, spooning, doggy and then heaven in mish - i came. Lovely soft skin and curves. I had to work hard on getting kisses as she was not too keen. Still for my last punt (how many times, have i tried and failed?) this was a worthwhile memory. Yup, might see her if i failed in sorting my addiction to punting.
