The Premises:

Terraced property in a dodgy area. Worried about parking my car there. Her heating was not working so room was freezing. House was generally dirty/unkempt.

The Lady:

Attractive Italo-Hungarian girl. Short, slim with very long dark hair. Small tits but very nice bum/legs/body.

The Story:

Agreed on ?70 for an hour. This was what was advertised as her rate. Perfunctory massage, irritating really, then suddenly it was "turn over" and she tries to put a condom on my flaccid cock. "That's not going to work" i said. Ignored. Workmanlike oral commenced. I thought the only way i'm going to get hard is if i start licking her out. So i did. It didn't seem to be getting her aroused at all, therefore it had little effect on me. Tried fucking in various positions. She just didn't seem into it and couldn't be bothered to pretend either. She needs to find another line of work. Left after 35 minutes. Seems you get exactly what you pay for.
