The Story:

It was an experience i will always remember, Mira made me feel relaxed.

She is a lovely girl and treated me genuine feeling. I do not need to exspan on how we spent our time together as this i feel is private between the two of us. She made my dream come true.

Thank you so much Mira. i wish you all the very best for your future.

If i come back to MK one day it would only be the day that you are there.
