The Premises:

A covert bar, not done all that well. The downstairs is dark and a bit stuffy, the rooms are ok though.

The Lady:

Young, attractive, Spanish. Very cute, very sexy accent.

The Story:

The girl is good, very good. Kept asking me what I wanted, rather than taking control, I quite like that. Only disappointment was that she doesn't kiss, that would have made her perfect.

I'd recommend the girl, but not the place.
