### The Premises:

First time here. Standard to good place. Plenty of paid parking nearby. Went in front tight/shy punters may prefer rear entrance.

### The Lady:

Blonde, 5 foot sixish, greeny blue eyes. Very fit body. Enhanced boobs but the most realistic I've seen or played with. She is a good looking girl you would be delighted to pull her in the real world.

### The Story:

Was passing through Crewe and had meant to try this place for a long time. The place I normally go doesn't offer OWO or CIM never mind Swallow so couldn't pass up the opportunity. The standard ?40 had to be topped up by ?30 for the extras but it was well worth it. Sienna is an expert in the art of blowjobs. She has a well placed tongue bar to augment the pleasure. After a brief chat, massage and some kissing she got to work on my cock. At my request I stood it while she squatted allowing me to control her head as she worked her magic. She sucked and licked with obvious enthusiasm. I could have stayed there all morning but eventually I told her to go for it. The speed and pressure increased and when I blew my load I felt like I'd pumped most of my bodily fluids into her eager mouth. She swallowed every drop. I always make sure the girl has a good breakfast. Excellent punt highly recommended.
