Photos on the website dont do her justice, she is a real beauty. Mid- twenties with amazing green eyes and a superb arse.

The Story:

Working away is tiresome, so I decided to treat myself. I had a look on Diamonds website and decided on seeing Lucy. On arrival she was very friendly and I was soon relaxed by her bubbly personality. We chatted a little first and she began with a sensual massage which got the soilder standing to attention. However as this is not what I was there for I asked if we could move on, we agreed on OWO, this was mind blowing she had great techniques (vaccum). She then suggested 69 and sat on my face, I had to stop for a moment to regain control of myself, as I was about to cross the finish line. She then climbed on cowgirl, then reverse cowgirl, then doggie. She had a great ass and boy did I pound it! All in all a good punt well worth the pennies, looking forward for my next visit to Leeds.
