The Premises:

Nice discreet apartment in the town centre area of Cheltenham. Car park across the road so only a two min walk from car park which was good.

The Lady:

Phoned Holly originally and she told me about her friend and lesbian service they were offering. Holly just like her pics is a slender blonde, leggy, amazing arse and pretty face in her late 20s but tiny tits. Sophie was blonde in her early 40s, tanned and very tall and leggy 6ft something, curvy bout size 14 with massive tits natural EE cup! Attractive lady but no mention or photos of her on the website.

The Story:

Well i have not long come away from these gorgeous ladies and they literally blew my mind and cock. Had to write a review straight away!

When arrived both girls were dressed classy but had very naughty undies on underneath!

Holly had a corset, stockings and tiny thong showing her amazing arse, sophie was in a black basque n put on some thigh boots for me! Her tits n legs looked fucking amazing!

Got down to it and both girls are seriously horny, started fucking each other with strap on and licking and fingering each other then sandwiched me inbetween and took their turn to abuse my cock! Mindblowing OWO and sex in various places with both girls all over the flat including the shower!

Great early birthday treat for me!

Highly highly recommended. Their prices are normally out of my price range but will definitely be saving my pennies for another time!
