The Story:

Well what can be said about Susan? She has great tits and ass, her tongue action is superb and she maintains eye contact while doing it. She also used a vibrator on my japs eye, something no lady has ever done before. Her use of her tongue and nails on my nipples was also superb, in fact mine are still tingling as I write this!

All in all finding Susan was one of the best things I've ever done, I heartily recommend her.
