The Premises:

The usual clean and smart apartment type place with good furniture, etc. Easy to find too and tube station closeby. Very safe!!

The Lady:

Lara is lovely, as per pics on @w but face blurred out. But she is lovely and sometimes smiles like Julia Roberts (as said in a previous report). Lovely skin, brazilian from the Capital of the country. Anyhow nice body and fun to be with. Just plain horny IMHO.

The Story:

I could not help but kiss that lovely skin all over! Before too long I was doing my fav pastime of RO. I made sure she enjoyed this and she kept moaning "It's soo good". So glad she enjoyed that activity. After a good few minutes and came and was a happy bunny.

After a few moments, it was simple sex in mish for me. I tried to prolong the climax as long as I could, but a man can only take so much excitement!

Lara is a great girl and fun to have around IMHO. I hope I get to meet here again soon!

Recommended Indeed! Treat well and get rewarded!

(I asked her to marry me and we had a great laugh with that!!)
