The Story:

we immediately got on well. As oppose as many other WGs in Soho, Sandy is social and cares about her customers. I have seen many other WGs in Soho and I, like many others, agree that Sandy is an absolute favourite. I think she's the best. I paid for 10 min + positions and it was great. I started spanking her lovely ass right away while she was playing with my cock, then when I got hard she said with her lovely Spanish accent 'well you like my ass, so take me from behind!' I obliged. After moving her in different positions, she proceeded to give me a fantastic, slurping, sloppy blowjob.

This girl is a rare find , especially in a place like Soho! Highly recommended to anyone. She's always busy, though. It's a good idea to get there earlier in the morning.
