### The Premises:

My hotel

### The Lady:

Slim, 5'4", 32B. Long silky smooth hair. One small rather endearing tattoo. The photos on her web site are realistic and representative.

### The Story:

Hazel is a really lovely girl - very much the girl next door type. Quite shy to begin with in terms of chat, but not at all shy on the kissing front - lots of intimate kissing right from the start. If my experience is typical, Hazel might not be the right person for you if you want your escort to set the agenda - you need to take the lead, but I found that she was happy and enthusiastic to go wherever I wanted. Particularly memorable were the way she let me slowly and sexily remove each item of her clothes and the warm cuddles under the duvet after a very fulfilling bout of cowgirl followed by coming in missionary.

Although a little shy to start with, she thawed out later and we enjoyed a nice giggly chat as we relaxed under the duvet after the action part of our encounter. She's definitely not a clock watcher - after she'd departed I looked at my watch and we'd overrun our allotted hour by an additional 15 minutes.

If I ever return to Glasgow she will definitely be the first person I will call. Thanks Hazel - you are a star!
