The Premises:

Clean, comfortable warm room in a flat.

The Lady:

Slim, pretty asian girl. Not the same girl as in pictures. In fact, with this contact you may get a different girl each time. I've used the same contact twice and had two different girls (neither same as picture). However she was very nice looking and I wasn't disappointed.

The Story:

She seemed a bit shy, but for me this is a turnon. She is happy to take things slow and gentle which again is just what I like. We gently kissed and cuddled while standing up for a while which was lovely. I sat on the bed and she sat on my lap and we took our time caressing each other some more. Her skin was beautifully soft. Either I was very lucky to find a girl who clicked with my slow and gentle approach, or she was happy to adapt to it. She had a fantastic way of tickling my back with her fingertips which drove me crazy!

She gradually undressed me and kissed my body while I stroked her boobs and bum. She asked if I wanted OWO and when I said yes, she said it was a 'special service' which I agreed to and made a note to give her some extra money at the end. She was quite tentative and hesitant with OWO but it was pretty nice.

Then she put the condom on me and slowly lowered on to me in cowgirl. She was quite small and seemed to have a little difficulty, but with patience we got it together. She gently rode me and I was in heaven with my hands on her hips. I didn't last too long as she had got me really turned on.

Afterwards we cuddled on the bed and chatted a bit and shared a few soft kisses. When time was up I gave her a tip and said I would definitely be back. However, as you will see in my next review things didn't go to plan there. But tonight was amazing and I will remember it forever.

If you are looking for wild sex and PSE, this girl is not for you. But if you are after something more gentle and sensitive I couldn't imagine anyone better.
