usual place,very busy with girls all on time to meet the punters

The Lady:

taylor was one of 3 of the 7 girls who were 'local' and although i had seen eva before i could not remember if i had been with taylor over the years.she was lively and looks appealing in the lounge wearing flashing high heels..i would say she is mid 30,s nice fit body and attractive,,she gave of an allure which i felt was interesting...

The Story:

very pleasant and eager to please,having just return to scorpios after an absence of maybe a year,although i believe this is her natural way..we got down to some french kissing,groping and then on to a fantastic 69 where i could delve deep into her lovely pussy and ass whilst she gorged on my cock which was at full attention,paying attention to my balls and ass too.

this was how i enjoy my oral and after some more kissing and sucking her delightful nipples she sucked on me again whilst i rubbed her clit hard and i came buckets into her mouth..

this was myt first time here for a while,and cant afford to come here as regulary as i once did ,but taylor made the day for me.

we talked shortly after about a few things and i told her that i,d write a report for her and check to see if we had been together before which we had 4/5 yrs ago..

gonna have to cut out my other vices so i can visit again...
