The Premises:

Viewed this lady on another website, phoned and she sounded great. She even sent me a picture which showed her to look amazing. So booked an outcall

The Lady:

Reality, the photo she sent was definately out of date and 3 dress sizes ago. Size 16 ish 5'9 dark hair. Attractive but nothing like what i wanted to book. Very young 19....not a mature 19

The Story:

Dressed casual to suit her and not what i requested. Felt i was disturbing her day rather than enjoying my time. Lacklustre services, willing enough just seems to be a total lack of experience. Boy can she talk though...anything and everything.
