The Lady:

melissa is a really beautiful brunette with a body to die for,the pictures on the website are definately her,though her hair is a bit lighter at the moment,to see her is to want her.

The Story:

had a really outstanding time with melissa,she seems to enjoy her work and is very responsive and easy to be with, i was offered a massage but declined as i couldn't wait to get hold of her,she really is that sexy! started off with reverse oral which she seemed to enjoy before moving on to her giving me a really great blow job which she excels at,then on with the condom for a lovely fuck with a lovely girl.

melissa is great fun to be with,not only is she very good at her job but she has a great personality too,really a very special girl,treat her nicely and you will have great time,i will definately return.
