The Premises:

Nice, clean, attractive apartment close to Mornington Crescent tube. Discreet and easy to find.

The Lady:

Very pretty: slim and toned, but not skinny; beautiful features, lovely warm smile and a summer dress plus tasteful high heels to match the day's weather. Kitty has a definite sense of style which adds to the pleasure of her company.

The Story:

Made welcome and offered a drink. Kitty made easy conversation and I quickly felt comfortable and relaxed in her company.

Little touches, kissing, and when I emerged from a quick shower we repaired to the bedroom, Kitty having shed the dress for more seductive attire. This wasn't too long in coming off and the following couple of hours were close, gentle (but no less energetic for that), a few laughs along the way and as intimate as I could have wished for. I am short-sighted without my specs, but Kitty was in focus all the time and I had her undivided attention.

I felt great afterwards, and I think that's because Kitty managed to combine her undoubted skills and professionalism (from initial contact onwards) with giving a little of herself - or so it seemed to me - in just the right proportions. Would love to see her again and recommend wholeheartedly.
