The Premises:

Clean Terraced town House with masses of 30p an Hour secure parking outside. It felt very safe yet discreet. The room was very clean and tidy and well decorated and had appealing bedroom furniture - it also had two convenient mirrors.

The maid was also genuinely very helpful. I left my hat behind and she fetched it with a smile.

The Lady:

Total stunner...

Very similar to her website pictures. She has a pretty and expressive face. The site says 28 years old. She felt and looked like she nearer to 22.

Her body was totally smooth, utterly unmarked and very firm and her full breasts are genuinely hers (no plastic) - pert and more than a good handful.

Her figure is lithe yet full and not a trace of fat and a joy to touch.

Where does A. get them from? If I could have taken my eyes off her I would have looked for Angel feathers.

The Story:

Wow!

Up for anything I asked. And boy was she keen !!!

A young lady who truly enjoys her work.

A lot of girls can be a bit reluctant or laidback (Elise of A E excepted!)

She was on fire!!
