The Lady:

You can't really see her face on the website, but I have to say the website photos put me off seeing her for quite some time. I needn't have worried, as she was really pretty. Very shapely, all natural, small breasts, great bum and lovely long legs. Very fancyable.

The Story:

Easy to talk to. Once we were in the bedroom with clothes off she mentioned that the French kissing I had asked her over the phone if she did was an extra ?30. I said no way, and she should have told me when we spoke. Was thinking this was going to be a bad eve but she agreed to FK no charge. And she was actually a great kisser. But check charges before booking!

Gave her a massage, then some oral. She put on the condom for oral with ? OK. Sex with her on top, then me on top. All good. Not sure she was really enjoying it but probably not hating it either. I enjoyed it though!

She came back to bed after shower and stayed the full hour, then some more after her driver was delayed. She was friendly and easy to talk to. All round, a nice eve.
