The Premises:

Ground floor apartment in a quiet part of town. Simple and efficient booking (even though I was nervous when phoning!)

The Lady:

Why has it taken me so long! Gorgeous, petite buxom bundle of Brazilian energy. Long silky black hair, an enduing smile and amazing breasts. The weather outside was matched by the heat inside!

The Story:

I can only add to the compliments that have been mentioned before. I was shown into the room and in stepped Jade with a refreshing orange juice and a very welcoming smile, dressed in a very sexy black bra and knickers combination (well it was a scorching day). She helped me undress and we sorted the finances out.

A whirlwind 45 minutes of deep kissing, tongue flicking, licking, oral bothways and sex, culminating in an intense orgasm with those magnificent boobs swaying in my face. We tried for a second round but I was spent. The end sight of doggy style in the mirror with that bouncing bum is a sight that will live on for a long time.

Thank you Jade and HOD.

I hope to return soon.
