The Premises:

Brooke works from a small but modern house in a development in MK7. Parking was available on her drive, with access through a side door.

The Lady:

A stunning blonde, capable of turning heads anywhere. About 5'7". Her pics on her AW page are accurate, but I found her better in real life.

The Story:

Brooke provides a sensual massage service, with some extras, but not full service. Her prices may appear higher than some, but then, quality costs.

She has a simply exquisite massage style, tantalising and sensuous in the extreme. This is complemented by some wonderful oral skills.

If sensuous massage is your bag, then I cannot rate her highly enough.
