The Premises:

Townhouse close to the centre of Milton Keynes. All very clean and tidy inside.

The Lady:

Rosalie is around 5'6, brunette, with curves in all the right places. Don't take my word for it, have a look at her photos on the Annabellas website. There's also a very pretty face and cheeky smile hiding beneath the blurring.

The Story:

OWO is usually a pre-requisite for me, however the combination of an Irish accent and some rather appealing photos convinced me to go and see Rosalie. I'm glad I made an exception.

Waited for around 5 mins once in the room. A fine selection of gentlemen's lifestyle magazines were available for my perusal (no, not that kind of gentlemen's magazine). Rosalie entered the room and I stood to attention.

Financials out of the way, I was very keen to get Rosalie out of what she was wearing. We moved to the bed and some light kissing (no tongues) and the occasional cheeky grope ensued. Soon to follow was some most pleasant oral (covered), and I decided it would only be polite to return the favour. I'd asked Rosalie what she liked and didn't, and after several minutes I was duly rewarded.

After a few minutes recovering, it was back on with the condom (did I mention she does this with her mouth?) and before I knew it I was playing with Rosalie's gorgeous breasts while she rode me. Some doggy and mish followed, and Rosalie finished me off with a handjob.

We had about ten minutes left so just chilled out and chatted - Rosalie's an intelligent and articulate girl who you could happily spend a while just talking to.

I left with a smile on my face, planning a repeat visit very soon.
