The Premises:

Fair place near the Tesco's (the big one just off the Green Man Roundabout). You can also find Mel on Leytonstone High Street sometimes. Blond hair, small (cute). You'll need to call her on her mobile when you get there and she'll come down and let you in. The place is safe.

The Lady:

Small (not much over 5 foot), blondish hair, thin face.

The Story:

Mel is two things that are rare: a really nice person, and a genuinely fantastic kisser. She has a lovely way with her tongue. She has small breasts but the nipples are erectile and - here's the big one - she appears to be always wet (I've been with her a few times over the past years). She also gives great head, and - another massive plus point - her fanny is remarkably tight.
