### The Premises:

Flat in a local estate. Secure entrance and despite the late hour was very quiet and accessible. May vary during summer etc.

### The Lady:

Very tall, circa 6ft and size 12. Lovely heaving breasts and ground bum. Good looking and dressed to impress

### The Story:

Some initial kissing and touching we proceeded to some amazing uncovered oral. Her technique is brilliant and one could easily blow in her mouth.

After some great oral, we moved to covered sex with kissing and intimate touching. Got her on top and dropped those heavy breasts on my face.

For the finale and quick rubber change, got to break her arsehole in and proceeded to bum fuck to completion. Great tensing and unloaded heavily into her bottom. She is an anal expert and its well worth getting into her arse.
