The Premises:

The location is a modern flat with intercom entry, about 5 minutes walk from Marylebone tube. The bedroom is decorated to a high standard.

The Lady:

Ahlam, (not 100% sure of her name) is a Chinese lady in her 30s with full, B/C cup breasts with long, button nipples.

The Story:

I enjoyed the session despite Ahlam's poor English. The session mainly consisted of Ahlam, licking my very firm erection and despite her not sucking me, it felt wonderful! There was no rush and I made sure I paid a lot of attention to her long nipples. The session ended with a teasing, slow handjob and the release was explosive.

There was another Chinese girl who let me into the flat and I guess she also provides services there.
