Nice flat, shared with another girl. Was offered a drink on arrival. Proper massage table was a nice touch. All very clean.

The Lady:

Imogen is a very pretty girl, and made sure she was looking immaculate prior to my visit. Curves in all the right places too.

The Story:

This was my first massage and Imogen made me feel very comfortable. Everything about her was very professional, from the amount of effort put into appearance and ambiance, to her gentle way of speaking. Started with a full massage of back, neck, limbs etc. Imogen is VERY good at massaging - I could easily believe she is professionally trained. I was very impressed! She then used feathers which was nice, and the hot oil felt very good. She then tickled and worked on my erogenous zones, before asking me to turn over. She eventually provided a very happy happy ending! Her technique was excellent. Really good experience altogether, I will definitely go back.
