The Lady:

Very pleasing on the eye. Stacey has a very pretty face, lightly tanned skin, lovely breasts... I could go on. I know this is a cliché, but the photos on the VH website don't really do her justice.

The Story:

This was the second time that I'd seen Stacey and it certainly won't be the last, for she is just delightful. Physically beautiful (see above), with a warm, friendly personality and down to earth attitude. If you want a cheap slutty type, she is not for you. If you want a WG who's open minded, easy to talk to, and who treats you with respect she might just be.

The hour began with a massage and then segued into a wonderful girlfriend experience. I'd rather keep the details of the encounter private. Suffice to say that I left very satisfied.
