The Premises:

Decent walk up, nice big bedroom, with porn playing on the tv.

The Lady:

Looks like a Swedish beauty. Tanned, blonde, cute face, beautiful big enhanced tits. Slim, and very very sexy. Maybe late 20's.

The Story:

She opened the door and i was impressed. The two maids were sat in the kitchen talking without even glancing at me, which was fine. Angela handed me the menu, i went for 30 mins with OWO. Her personality is quite business like, but in a strangely sweet way. She hurried me over to the sink to give me a nice wash, and was chatting all the time, well, it was more dirty talk than a chat. Then asked me in a pleading manner to stick my finger up her bum, which she lubed and i obliged, whilst she pecked me on the lips continuously, which some may find a little irritating. But she is so cute! Then she wanted me to slap my dick on her tits, then pressed that amazing body against me and rubbed my dick against her clit whilst we stood.

I was just loving it! What a star!

Then she sucked away, and chocked a little, as i played with her tits, then shagged her in a few positions, but she complained she was sore, so i had to be gentle, but she was still a great shag because she is such a little sex doll.

I think if u are nice to her and respect her, she will give u a great time.

Cant wait for more!
