The Premises:

A mess up at the start as I had booked the previous day for two of us who were traveling together and specifically asked if Dita and Ellise could be at the same address for 11.00 am and was told to confirm on the day and would be told the address. When the phone was eventually answered found the girls were at different addresses, this meant I had to drop my friend at the first address which I knew and then find the second address which was new to me and about half a mile away, this would have been alright but could not find any parking which was getting me rather frustrated but eventually found some premium parking and a walk to my address which meant I at last arrived at 11.25. The address seemed safe in a quiet street and was made welcome by the maid and not to worry about the time.

The Lady:

Dita is just as her photos seemed a little shorter than I expected but this is because of her small (size 6) body.

The Story:

Very friendly and happy girl started with varios teasing and fondaling then OWO then on with the mac and more OW before dita went cowgirl till I wanted doggie to finnish. After cleaning me Dita massaged till the time was up.

(My friend also enjoyed Ellise)

Pity that Arallabelas could not organize properly this time.

Would recomend Dita to anyone

Thanks again Dita
