### The Story:

As this was my second punt of the day I knew it would take longer to cum so booked a 2-girl interactive session for half an hour, then Lucy alone for the final half-hour.

Superb punt. Lucy and Angela kissed and touched each other, which was a sight to behold and gave me plenty of attention. First Lucy and I snogged passionately while Angela gave expert OWO, then they swapped roles and I took turns to fuck each of them.

During the second half hour things hotted up with Lucy now she had my undivided attention. She's one of the very best girls I've seen. Very pretty, a fantastic kisser and great enthusiastic attitude. The memory of her tits bouncing while we fucked will last forever. She's a permanent fixture for my MK shortlist.
