The Premises:

Well know hotel near the Dartford Tunnel, have visited various girls here. The advantage of this hotel is that you don't need to go through Reception to get to the rooms. Rooms are comfortable but basic.

The Lady:

First time to meet Claudia and looked even better than her profile photo's, in fact she is quite beautiful with the most wonderful body, Polish girl, 5'5", size 6, 32B, amazing legs, blond hair to her shoulders, fully shaven.

The Story:

Booked appointment easily, I requested she wear stockings and high heels. Parked up outside and called Claudia and she gave me the room number. Gentle knock and was let in. Very pleased with how she looked wearing a dress and top, although no stockings or heels. Claudia pointed out it was ?120 for the hour & I paid, asking about the stockings and heels, she said no problem and whilst I used the loo, put them on. She looked fantastic. Sat on the bed next to her and it became very clear that I had to start things off, no interaction from Claudia. Started with gentle kissing which developed very quickly to french kissing and touching her body, she kept her hands to herself. I stripped off, but she had started to make me nervous, so I kept my underpants on. We both lay down on the bed still kissing and she then stripped off herself, showing off a most wonderful body. I took my pants off to show my rapidly growing cock. Kissing continued with her hand on my chest, no touching of my cock. I then gently moved her hand to my cock and began rubbing it. I then asked for oral and without a word she started sucking, this was very good and after a few minutes I just wanted to be inside her. I suggested we have sex and she applied the condom, again without a word. I firstly got on top and Claudia appeared to enjoy this. We then changed to doggy and the sight of her amazing arse was too much and I came. She asked if I had enjoyed it and I thanked her. She passed tissues and I removed the condom. I then lay there, she said nothing. I made attempts at conversation which kept dieing then I asked for a massage on my back, this was ok but lasted a few minutes. I then lay on my back and she lay next to me again without a word. After what seemed ages in total silence, I asked should I go and have a shower and she said yes. I got up, showered and when I came back into the room she was still lying on the bed simileing. I started to get dressed in silence and when finished said I wanted a refund as I only go 30 mins, she said I could stay. I pointed out she was just lying there in silence and then told me to go and have a shower, she said that I had misunderstood her and I replied that she had just lay there in silence,

what else was I to think? She refunded the money and I asked was I so revolting that she couldn't even talk to me? I left feeling low and terrible. Part of this hobby is being in female company, being made to feel wanted or special or share moments with beautiful women. Claudia ticks all the physical boxes but no personality at all. Another one for the team.
