The Premises:

A flat in Drury Lane. Busy but very safe. The flat is shared with other women. I have visited before seeing Monica and Tiffany.

The Lady:

She has a fantastic tan all over. Her breasts are small but very sucjable. A young body for an old codger to just wonder at. Her hair is blonde at the moment although out of a bottle and very long. Looked great covering her face as she sucked my cock.

The Story:

A very jolly punt. She has a basic ?60 an hour with ?20 extra for OWO/CIM worth the extra. I had a pleasant shower and she joined me on the bed with towel around body very sexy. Soon off I was licking on her cunt and enjoying it. Kamena's efforts worked a treat. I have a recipe for two cums and this woman worked me to both. I believe she allows anal intercourse and given her very tight pussy I think that would be a dream cum true. A deep sigh and out into the fray. Tiffany was there at the time and I did think must be worth a 2 girl.
