The Premises:

South Ken say little more! Rihanna opened the door and I entered a second home. Her smile makes it all lovely.

The Lady:

A fantastic looking woman with a very distinctive hair colour - red. She has enhanced breasts and a beautiful face and body. She is a great London girl with the banter to go with it.

The Story:

She sucked licked and stroked me for the entire 30 minutes. Her arse is very succulent and for an extra lucky boys get to fuck it. I would love to and perhaps one day. She rode my cock keeping me firmly inside with energy. I do like the PSE of CIM the mouth and snowballing. Her question you will swallow nearly had me giggling like nothing and of course.... Will be back.
