### The Premises:

clean enough place been ther before, knew what to expect. Asked for the light to be swithed on as it seemed a bit dark, Melanie refused.

### The Lady:

Amazing toned body, very pretty face, great ass, nice pair of tits. Although website says Melanie is half indian she does not look it, looks pure Italian, wesbite says shes 22, she told me shes 19, but looks more 22/23, website says her boobs are 34DD didnt not feel s that big, she told me 34C.

### The Story:

My first punt in over 3 years! No kissing or reversal oral offered, but due to Melanies looks and body went with the normal service. Started off with a hug and feel of that great toned ass, then got some good oral, laid her down and kissed her hot body when trying to suck her tits she said she didn?t allow it, which was a big disappointment, got some more oral then put it inside her missionary position, urn her over and finished her off doggy style was a great view form behind. Overall a good punt with a sexy girl you?d love to take home and pound over and over again.
