### The Premises:

An end terraced house. Yellow lines outside so parking during week would be difficult. Didn't see much of house as shown into front room. Curtains drawn and a bunk bed (!) plus bed settee. Had feeling someone else was in the property, so felt a bit uneasy.

### The Lady:

Polish, not v attractive, short & dumpy, big tits. Probably 22yo. Good english.

### The Story:

Ipswich has had a number of Polish establishments, some good, some bad - this is the worst. It may get better with time & different girls working here, but I won't be back to find out. In my 30+ years of punting, I have never been asked to use the bottom bunk of a bunk bed before and I hope I never will again. "Ria", if it was the advertsied girl, gave me a reasonable owo for a minute or two, fully clothed - her, not me. Then applied a condom, took her trousers and knickers off and told me to missionary fuck her on the bunk bed. Ridiculous. I asked if we could do doggy over the bed settee, but was told no. I tried to get her tits out, but she stopped that. Her breathe smelled of alcohol. After a while, I gave up and left - never to return. Maybe it's time I retired.....
