Reasonably attractive, quite large African lady.

The Story:

Maybe I'm a skinflint, or maybe I've just been spoiled by the good value to be had in Manchester parlours, but when I called this establishment earlier in the day I was encouraged to hear that the entry fee was ?20 and ladies' prices started at ?30. I was disappointed, therefore, when the lady, well into my preliminary massage, told me that her prices started at ?50 for hand relief.

Long story short - I ended up having covered oral, sex and HR for ?70 (plus the ?20 entry fee) which I considered a bit steep, considering that (1) I was not given a choice of lady, just the one of the three whose turn it appeared to be, (2) the room was very small with a tiny massage table, not suitable for its purpose at all, and (3) I didn't really enjoy it.

I'll stick to Manchester parlours from now on.
