The Premises:

Easy to find with Debbie's instructions. Secluded house with car parking located out of sight round the back of the premises. Entry at back of house. Clean and tidy with a pleasantly furnished bedroom for the 'action'. Felt quite safe, no worries.

The Lady:

A petite woman in her 40s with a good figure. The gallery on her website gives a good impression of her. Debbie has enhanced breasts (lovely erect nipples, too) and is fully shaved.

The Story:

I was greeted pleasantly by Debbie who was dressed for me in a black outfit with black seamed stockings and heels. (I'm a conventional sort of guy!) Offered a drink on a hot afternoon, we went upstairs and she undressed to her underwear as we kissed and fondled.

Then she suggested it was time to get on the bed so I removed my clothes, joined her and the pleasures developed. Gradually her remaining clothing came off as we pleasured one another.

Debbie has the smoothest pussy I have come across in a long time (with no 'stray' hairs between her legs as is the case with some women). It cries out for attention - and I was happy to attend to its needs with my tongue and lips with pleasurable results.

Her oral skills are excellent and I received much attention in that respect. The hour passed all too quickly and we were both rewarded when we finished by her receiving a satisfying facial (which she really likes) from me.

Treat Debbie well, guys, and find out first what she likes and dislikes and you will have a good time.

Thanks, Debbie, hope to see you again.
