The Story:

She was very welcoming from the start and looked well presented. Make up hair were immaculate. Her tits were just amazing, lovely and soft but full. Her oral skills were fantastic and she has a nice tight pussy which made my experience even more enjoyable. Being with Asia is an experience I will always remember. She ticked all the boxes for me and I won't be forgetting her easily. Thank you Asia for your great personality and service, I will definitely be back.
