The Story:

We kissed and embraced - more on the lines of DFK than FK and she is a lovely kisser (well she was with me!!)

My heart was pounding at the site of her....

We made love and she made the right sounds - She is nice and tight which really helps!

she gave me a massage and we began kissing again... she moved in for round 2 and i asked for a blowjob she asked me to come in her mouth but i didn't have enough juice left to explode... what a shame!!

Jade my lovely i will remember you for a long while...

I shall cherish the short time i spent with you...

You remain embedded deep in my heart...

Let the Tulips be a token of my undying love for you...

Till next time.

I'll be back!
