The Lady:

As stunning a girl as I have ever seen.

The Story:

Forget JJ's beautiful tanned skin, her sexy long legs, and the shimmering sensuality of her touch... It's her eyes... JJ's eyes are mesmerising. They provide a fleeting glimpse of her soul.

For a moment I could see the Hanging Gardens of Babylon, the Lighthouse at Alexandria and the Colossus of Rhodes. But as quickly as these Wonders appeared, they were taken away. JJ is the gateway to another universe. A world of classical antiquity and mythical legend. Her eyes hide stories of hidden treasure and distant lands... but she doesn't reveal the secrets of her heart easily.

You are in the presence of greatness. Don't try and work out why you have been chosen to attend a world premier. This is your journey across the galaxy... don't waste it. Lie back and enjoy the moment. Just knowing you have been given a glimpse of a sensual Wonder should be enough....
