As usual high Ego standards.

The Lady:

WOW - an absolutely stunning young Spanish lass with long dark hair, captivating eyes, silky soft suntanned skin and THE most amazing body. Slim but pert and fit, wouldn't be surprised if she was a gymnast with nipples like fruit pastilles. Imagine Kylie 20 years ago and you won't be far off.

The Story:

Words cannot really describe how much I enjoyed this wonderful session. JJ was dressed in the usual Ego attire but soon stripped off as I lay on the massage table. She asked how I wanted the massage and i said 'firm', JJ said 'well firm it is then' and that's exactly what I got, an excellent firm massage.

Some sneaky little touches as she done the top of my legs before some sexy whispering in both ears, she then asked me to turn over. Some beautiful body to body massage and soft tender massage/stroking/teasing followed before the inevitable occurred. This was conducted in a way which has to be experienced and is like nothing I've ever experienced before.

I've been a regular at Ego for a couple of years now and have seen Nina on a weekly basis since then. I didn't think she would ever be equalled....until now ! JJ is not only stunning, she has a great relaxed personality who is great fun, she has a superb technique and she can keep you on the brink for longer than I thought possible. I couldn't stand for a few minutes after due to the intensity of the session.

Thanks JJ, you've just found yourself another regular x
