The Premises:

Town house very close to the shopping centre, plenty of parking.

The Lady:

Adele is a very pretty short haired blonde young lady with well rounded fuller figure, nice natural breasts and a very friendly disposition.

The Story:

I liked her instantly and we kissed as we disrobed. An easy conversationalist and very comfortable with her sexuality. Kissing, oral on me, then on her and followed with sex in 3 positions resulting in my climax was the order of the day. We chatted for around 10 minutes before Adele proceeded to give me more OWO with the intention of getting a second climax from me. I stopped her after a while as although exquisite I knew it was beyond me in the time left. All in all a great GFE.
