The Premises:

This blond bombshell only does outcalls so she came to my hotel room.

The Lady:

Kim held herself well, she was reserved and good looking. Curves in all the right places. Top class escort.

The Story:

She came straight up to my room and sat down and had a glass of wine and a chat. She is a nice bubbly girl with come to bed eyes and her demeanor seriously turned me on. I asked her to take her clothes off for me. She sexily danced and removed all her clothes while staring straight into my eyes. I was throbbing .

She crawled across the floor towards me and pushed me back on to the bed and gave me owo. She then climbed on top and slipped my cock inside her. She passionately kissed me while slowly rocking back and forth on my cock.

I could hold no longer I was ready to burst so I rolled her over onto her back and fucked her hard with her legs up over my shoulders. Then I came all over her stomach. Great GFE
