### The Premises:

This basement flat is located near Holborn Tube, towards Kings Cross. It is very clean inside and there is a shower facility.

### The Lady:

Daniella is a tall, blonde girl from East Europe with a really lovely body, a 34b cup size. She is very intelligent and has model looks.

### The Story:

This was a massage and relief service, coupled with good conversation. The massage started off very lightly and then progressed to a slightly firmer one. There were plenty of credit card swipes, if you like that. There was also body to body contact. When I turned over, Daniella was wearing black knickers, but they soon came off too. Her breasts and bum are lovely and firm and she has a superb figure. The relief was nice and slow and I soon went over the edge and experienced a very satisfying climax. I then had a shower, got dressed and gave Daniella a goodbye kiss.

I believe another girl also works at this address.
