The Premises:

Well reported, top-notch apartment in a very pleasant area of London.

The Lady:

Her body is exactly the same as the website pictures - she's petite but curvy with lovely, lovely little boobs but definitely not flat chested. She's also very pretty. Really, really pretty.

The Story:

I umed and ahed about whether to book a session with Mira or with Dita as they were both working on the Friday. Dita has been on my list for ages but always seems to disappear off the South Ken. schedule before I can get a look in. However, the pictures on the website convinced me to try the new(er) girl and I am so pleased with my decision!

Mira is delightful. She is eager to please and although I'm sure that she'll get better with a little more experience this was perfectly pitched between a gfe and a pse. OWO, doggy, mish and repeat several times was pretty much the order of the day and I'm trying as hard as I can to remember her lovely face.

I noticed that she's off the scedule at south ken for next week which is really disappointing as I was hoping for my first return visit to a lady (seen a few at HOD and all are fantastic) as Mira was 'cute as fuck'. Hopefully she'll be back soon.
