The Lady:

Sally has been well reported on before. The only thing I would say is that whilst she is still stunning the pictures on the website of her were probably taken a few years back now.

The Story:

Sally's all round service is very good. She perhaps does not kiss as passionately as some, or give the 'no holds barred' service of others but she is a delight and I'm glad I saw her and would definitely do so again. She told me I made her come which made me feel great. She has a great body and her bottom is particularly cute - needless to say I spent a bit of time playing with it. This was the first time I have seen Sally, but hopefully not the last.
