The Premises:

Lovely modern flat in a new estate near Pride Park.

The Lady:

Not unattractive and as buxom as her photos suggest.

The Story:

Olivia has a disinterested/surly look about her. There's no passion, no desire, just mechanical actions. As Craig Revell Horwood would've said "sex-less". Be careful to check her dos and donts. She doesn't kiss and her oral is with.

She might be other people's cup of tea, but not mine.
