The Premises:

Safe area. New apartment complex near the town center. Flat was clean, bedroom ok with en-suite.

The Lady:

Tall blond, probably size 12, 34B, slim, very nice legs & bum. Pleasant looking, wearing white lingerie, white stockings and heels. Not as attractive as her profile would suggest.

The Story:

This was one of those grubby meetings I try to forget, something about Amber seemed very cheap. Only realised later that I had seen her before in Jan 11, she called herself Jess then. Stripped off and Amber started some vigorous cock sucking and ball licking, I prefer gentle and sexy, had to ask her to slow down. Then rimming which was ok. I then rubbered up and fucked Amber in doggy, but started to get floppy so pulled off the condom and she sucked me off until I came in her mouth. Had a quick shower to wash away the shame and left.
